## Communiqué de Presse

### **INVITATION TOM HABSCHIED AU INTERNATIONAL PARA ATHLETICS CHALLENGE**

Dans le cadre des Championnats d'Europe d'Athlétisme ayant lieu du 6 au 10 juillet à Amsterdam, l'organisateur a invité Tom Habscheid à un concours para-athlétique ayant lieu le 6 juillet. Il s'agit d'un concours de lancer du disque des catégories F12, F37, F41, F42 et F44. Le LPC ne peut que se féliciter de cette excellente initiative d'une collaboration entre l'IAAF et l'IPC.

Ce concours aura lieu sur la Place du Musée au centre d'Amsterdam et en face du Rijksmuseum. Le LPC et Tom Habscheid se sont naturellement fait un honneur pour accepter cette invitation dans ce cadre unique.

Amsterdam, 16 June 2016

Dear Tom,

On behalf of the organisation of the European Athletics Championships 2016 (ECH2016) I would like to invite you to participate in the International Para Athletics Challenge. We would highly appreciate your participation in the discus throw men on Wednesday, the 6th of July.

The Championships will be held in the Olympic Stadium in Amsterdam from July 6 till 10. Discus throw and javelin throw will be held on the Museum Square, in the centre of the City of Amsterdam in front of the famous Rijksmuseum.

In 1928 the Olympic Games were held in this Olympic Stadium and together with the events on the Museum Square this will provide a special background for these European Championships. We are very proud that for the first time paralympic athletes will participate in the European Championships and we hope that you will come and compete in this special event.

We will give you a warm welcome in Amsterdam and would also like to invite you to the closing party on Sunday the 10th of July with all athletes. We will provide hotel accommodation (full board) and can give you a compensation for your travelling expenses.

We do hope that you will participate in this special competition. In that case I would like you to answer a few questions:

1. What is your expected day of arrival? The departure of all athletes is scheduled on Monday July 11.
2. What is the amount of your travelling expenses?
3. Can you give me your e-mail-address where we can send further information about the Challenge? After your response we will send information on your registration as well.

We hope to hear from you soon.

Kindest regards,  
On behalf of ECH2016
