Repubblica di San Marino, 23 March 2020

Dear friends,

as you know we have been preparing the third edition of the Championships of the Small States of Europe scheduled in Serravalle, Rep. of San Marino, on 6 June 2020.

**Due to the current sanitary situation concerning the Coronavirus outbreak, specifically COVID-19, we have the regret to inform you that this competition will not take place as planned.**

**At the moment we can't say if it's postponed or canceled, AASSE will take the decision when possible.**

Even if we are all disappointed, the decision follows a careful evaluation of the situation and the priority is to take care of health, safety and well-being of all stakeholders.

If you need further information or if you have any questions please don't hesitate to contact us.

Thank you in advance for your cooperation and understanding.

Kind regards

Federazione Sammarinese Atletica Leggera  
Il Presidente Daniele De Luigi
